

CORRECTED NOTICE OF UTILITY TARIFF FILING

The REGULATORY COMMISSION OF ALASKA gives notice that on September 30, 2008, Alaska Waste-Interior, LLC d/b/a Alaska Waste (AWI) filed a corrected tariff revision (TA16-667) to add a residential fuel surcharge of 24.7% to its tariff. A previously filed tariff revision was withdrawn due to errors in the proposed tariff language. The proposed fuel surcharge would affect residential customer rates for standard can rates and roll-cart rates in the Fairbanks North Star Borough service area. AWI requests that the proposed fuel surcharge be implemented on an interim and refundable basis and become effective for service rendered on or after November 3, 2008. AWI also requests that it be allowed to adjust the fuel surcharge quarterly on a going forward basis.

The Commission may approve a rate or classification which varies from that proposed. You may obtain more information about this filing from AWI at 6301 Rosewood Street, Anchorage, Alaska 99518.
