Re: Alaska Waste – Kenai Peninsula, LLC d/b/a Alaska Waste
Fuel Surcharge Filing Using New Approved Methodology

Dear Commissioners:

This tariff filing is transmitted to you by Alaska Waste – Kenai Peninsula, LLC d/b/a Alaska Waste (Alaska Waste) in compliance with the Alaska Public Utilities Regulatory Act and 3 AAC 48.200 – 3 AAC 48.430.

Alaska Waste, through its undersigned consultants, revises the following tariff sheet:

Tariff Sheet Number		Cancels Sheet Number		Schedule or Rule Number
Original	Revised	Original	Revised	
	52.1, 7 th		52.1, 6 th	Cost of Fuel Surcharge

With this filing, Alaska Waste requests adjustment to its residential fuel surcharge which applies to all residential refuse collection services including extra can and bag charges.

This filing results in an increase to residential customer’s bills from the current 8.7401% fuel surcharge to 9.1582% fuel surcharge which will increase the charges to all of the current 847 Kenai/Soldotna residential customers. Alaska Waste expects that the total revenue impact from the fuel surcharge will be approximately \$7,008 for the quarter. This filing will not result in the termination of an existing service, conflict with any other schedule or rate, or will not in any other way adversely affect customers, or the public.

Alaska Waste also submits the following attachments supporting its fuel surcharge calculation: Diesel fuel invoices for July 2011 through October 2011 (Attachment A), a residential truck list with unique identifiers for each truck (Attachment B), and calculations of average cost per gallon and general ledger balances for revenue and diesel fuel expense accounts (Attachment C, submitted
