

NOTICE OF INFORMATIONAL TARIFF FILING

Alaska Pacific Environmental Services Anchorage, LLC d/b/a Alaska Waste on behalf of Alaska Waste Mat-Su, LLC d/b/a Alaska Waste (Alaska Waste) hereby gives notice that TA39-692 was filed with the Regulatory Commission of Alaska (Commission) on March 1, 2010. With this informational tariff revision, Alaska Waste makes multiple changes to its commercial rates. Alaska Waste has developed three geographic zones to better reflect the cost of serving customers throughout its service area. Alaska Waste increases its current dumpster service rates by 1.0% and adds rates for up to five pickups per week for 4, 6 and 8 cubic yard containers in addition to adding dumpster rates for the second and third commercial zones. Alaska Waste will provide roll-on/roll-off container service for containers having a capacity of 15-40 cubic yards at a single flat rate for each zone and adds rates for hook lift container service for each zone. All commercial customers located outside the boundaries of Zone 3 will incur an additional charge of \$3.50 per mile round trip. Finally, Alaska Waste increases the charges for additional pickup service and adds zoned rates for occasional or unscheduled pickups. There are no commercial can customers, so Alaska Waste has removed this service from its tariff.

Alaska Waste expects this informational tariff filing to go into effect after a thirty (30) day notice period to the public, or on March 31, 2010.
